- **Children** - Seats can be reserved for children 9 years old and above. Children's seating is subject to the family's *existing* seat assignments in the men's section. We also ask that you limit reservations for children (over 9) to those who will actually occupy seats for the *majority* of the *tefilos*.
- **Married Children's Seats** - Paid up full-members receive *Yomim Noraim* seats as a benefit of their membership. This includes member, spouse and children over 9-years old. **Married children** and their spouses will be *separately charged for their seats* as quoted below.
- **Non-Transferability** - Note that seats cannot be "timeshared" or "transferred". Even if a guest occupies a member's seat, the guest is still subject to the charge.

	<i>Non-Members, Associate Members, Married Children & Out-of-Town Guests</i>
Rosh HaShanah or Yom Kippur	\$125 / person
Both Yomim Noroim	\$200 / person

 thereby saving the additional cost of seats for the Yomim Noroim.*
